BOOKING

Once you have sent a booking request to us you will receive a email to confirm the date, time and address of the shoot. We will also include a schedule for the completion of your 360° photo tour and a document to help you prepare your property for the day. Although it is sometimes necessary to rearrange minor room decorative items, we will normally shoot the property as we find it.

CANCELLATION

Free Cancellation

Shoots can be rescheduled or cancelled for any reason up until 5pm the day prior to the shoot. Shoots that cancel the day prior, but after the 5pm cutoff will be charged €50.

Day of Shoot Cancellations

Cancellations the day of the shoot, for reasons other than bad weather will be charged 50% of the amount of the shoot.

On Site/En Route Cancellations

Cancellations after we are en route, or already on site to your shoot will incur the full rate for the shoot.

WEATHER

Depending on the services you are ordering, in most cases we can shoot around bad weather, and viewers of your 360° photo tour won't suspect that it wasn't a perfect day. In some circumstances, bad weather can be used to enhance a sense of the warmth, cozyness and hygge of a property. However, if you decide to cancel a shoot because of bad weather, it should be cancelled on the morning of a shoot.

We will automatically reschedule a shoot as soon as possible because of bad weather, free of charge. This applies to both your preliminary shoot and your second revised shoot.
